Milestone Launches Website for the Cleary Group
Responsive Website with Interactive Map for Pelican Cove

Sarasota, FL – (October 27, 2014) – The Cleary Group, a real estate office with RE/MAX Alliance Group, hired Milestone Marketing Associates to design a new website to promote their real estate listings in Pelican Cove: Sarasota's Premier Condominium Community.

"Our new website allows homebuyers and sellers to connect and learn all they need to know about the prestigious Pelican Cove community," said Joe Cleary. "It was a pleasure working with Milestone as they were very professional and thorough with the whole process. They truly went above and beyond my expectations."

The updated responsive website provides an optimal viewing experience and features a special interactive community map. It also includes a video of drone flight through and above Pelican Cove. The new website can be viewed at www.pelicancovesales.com.

"I have to say Joe was one of the easiest clients we've ever worked with at Milestone," admits Matthew Anderson, president of Milestone Marketing Associates. "He loved everything we showed him through the development process, and he was on the ball when it came time for content."
